

# Minis Session 1

## October 26 - December , 2016

### \*\*\*\*\*Important!!\*\*\*\*\*

If a student has a grade of U in any class at noon on Wednesday, he/she will attend a guided study hall until the grade has improved. Once the grade is above a U, the student will return to his/her mini choice.

### Parlez-vous français?

Oui! Join us as we "travel" to France! You'll learn to have a short conversation, to count, tell what the weather is like, learn a fun song or two, and maybe even sample some food! Vive la France!

### Golf

Learn the basics of the game of golf - grip, shoulder turn, swing, rules, etc. Learn the terminology and etiquette of the game. If time and weather permit, we will have the opportunity to practice at a driving range.

### Duct Tape Mania

I will show you amazing ways to turn an ordinary roll of duct tape into a cool craft project. Our list of projects includes; Stuff for School, Stuff to Wear,

Stuff for Fun and if we have time Extra Stuff. If you've never played around with Duct Tape before you are likely to get "stuck" on how much fun it can be!

### Paper Roller Coasters

Build a five foot tall roller coaster out of paper and send a marble down the track. The design is up to you. Make it tall or make it wide. Either way, it will be cool! Building a roller coaster out of nothing more than paper and tape may seem like an impossible task, but with a little patience and practice, soon you'll be building magnificent roller coasters!

\*\*\*\*\*This mini will last for 2 sessions, so students will not get a choice for Mini Session 2.

# Minis Session 1

## October 26 - December , 2016

Parents and Students,

St. Joseph Catholic School is proud to offer “minis” this school year. Our middle school students will again have the opportunity to explore their talents and interests each Wednesday afternoon. Mini sessions will offer a variety of topics that hone multiple intelligences and provide students with life experiences and skills they will use now and in the future.

Now is the time for students to mark their choices for the first mini session. Please read the attached sheet and assist your child in selecting a mini course that will most benefit them. The mini courses will run for five or six weeks and will be taught by teachers and volunteers. A teacher/ staff member is present with the volunteers.

Thank you for supporting this important career, talent exploration, and learning opportunity for our students.

Sincerely,  
Team C Teachers and Mr. Kettmann
